

# *Involved Exceptional Parents' Day*

November 2008

Dear Professional,

*Involved Exceptional Parents' Day (IEP Day)* is a unique one-day conference for parents of children with special needs and the professionals who work with them. Each year parents and professionals come together in the best interest of the children to learn in an environment of collaboration. Each year's conference includes up-to-date resources and current information on laws, policies and best practices. Workshops are co-presented by parents and professionals. Avenues for advocacy for those who do not have a strong voice in our society are discussed and brought to the forefront by the featured speakers, workshop presenters and the vendor fair. The response has always been extremely favorable.

The IEP Day Conference Planning Committee is seeking support for the 26<sup>th</sup> Annual IEP Day Conference which will be held May 30, 2009. We are asking for your support in making this year's conference even better than ever before. In return, we will advertise your organization to an expected 300 conference participants. Please review our Sponsorship Form (enclosed) to see how you can become involved. Additionally, your support will enable the IEP Day Conference to continue providing essential information and resources for parents and professionals. The fiduciary agent for the IEP Day is DAWN, a nonprofit organization. The Tax ID number is 33-09406000. Your contribution is tax-deductible.

The IEP Day Conference is based on community involvement and collaborations. We greatly appreciate your consideration of this request and look forward to hearing from you.

Sincerely,
